2007-2013
(inkl. joint call)

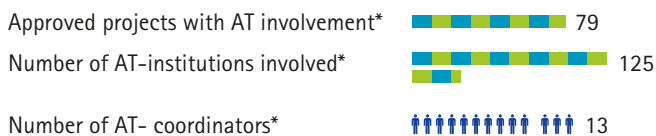

Total budget

Economic effects up to 2014 resulting from FP7-SECURITY¹

- Around € 81.3 m of added-value from € 44.3 m of funding.
- With the FP7-Security projects up to 2014, around 1500 jobs were created or secured in Austria.

Total return of funding to Austria
(based on funded projects)
€ 44.3 m

ESRP (H2020 – Secure Societies)

<http://ec.europa.eu/programmes/horizon2020/h2020-sections>

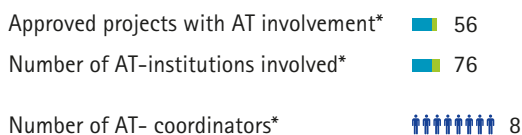

Calls
2014-2017

Total budget

- The involvement of Austrian institutions in European security research is demonstrated by above-average success and return of funding rates.
- A majority of the successful Austrian participants in the ESRP have already gained experience in KIRAS – which reinforces the additional benefits of KIRAS.

Total return of funding to Austria
(based on funded projects)
c. € 27.1 m
